

Futures Coaching Certification Course

- Event:** USA Field Hockey Futures Coaching Certification Course
- Cost:** The course is FREE to all Futures Coaches and open to all coaches (space permitting). The fee for non Futures Coaches is \$50.00
- Date:** The course is scheduled for various locations and dates in January.
- Game Plan:** Terry Walsh, the USA Field Hockey Technical Director, has developed a cutting edge technical program for our Futures Athletes. The program will be presented online and comes complete with 10 Futures sessions and video skill illustrations to compliment each skill, technique, tactic, and strategy. It is a video based program providing a consistent and systematic approach to training our Futures athletes
- Preparing our athletes for international play.
 - “KEY Teach points” behind everything taught in Futures
 - Preparing athletes for international play begins with you....the development coach.

Information: The course is designed to be covered in one day. The course times and dates vary among regions and are 4 to 6 hours in length depending on breaks and meal times.

The course is free to all Futures Coaches and those registering as Futures Coaches must commit to working two or more sessions during the 2008 Futures year.

It is highly recommended that Futures Coaches attend a Futures Coaching Certification Course. Coaches should renew their certification every two year.

Futures Certified coaches will receive higher compensation for coaching in the Futures program

The course is open to all interested coaches, non-Futures coaches are required to pay a \$50.00 registration fee which includes a 1 year online subscription to the Futures curriculum.

All coaches must be USA Field Hockey members to attend.

Please send you your registration information via email to your Regional Administrative Director. All applicants will be accepted unless otherwise notified. Walk-ins are permitted, but please email first in case the course is full..
