

## **USA Field Hockey Level I Coaching Accreditation Course.**

The vision of having a comprehensive Coaching Accreditation Programs for USA Field Hockey began implementation in fall 2007. Coaching accreditation options all the way from the development levels of **Turf Tykes** where Moms & Dads can acquire a **Level '0'** basic knowledge in a 2 hour session, through to the International knowledge and presentation rigors of **Level III** await coaches of Field Hockey in the USA.

All participants receive a **Level I** certificate from USA Field Hockey. **Level I** Accreditation is valid for two years. Coaches are expected to be actively coaching during their accreditation tenure. Participants may be recommended to a **Level II** course.
